EGO

Quando un protagonista entra in scena dirige tutto con maestria, adattandosi allo spazio. Perché il vero artista non ruba la scena: la rende magnifica.

When a star walks in he dominates your attention with mastery, adapting to the surrounding space. Because a real artist doesn't steal the scene: he renders it magnificent.

CLASS

L'essere umano ha bisogno di classe, eleganza e qualità nei propri spazi. Tutti sinonimi di buon gusto, armonia, amabilità. Lo stile è equilibrio tra qualità ed emozione, concetti che superano le tendenze del momento e risultano per sempre nuovi e innovativi.

In his own spaces mankind needs grace, elegance and quality. Other words for good taste, harmony and affordability. Style is the balance between quality and emotion, concepts that are beyond the current trends and are new and innovative.

SEPARÈ

Dividiamoci. Solo così potremo rimanere insieme. Tra soffitto e pavimento si inserisce una formula moderna che, separando, unisce, servendosi di luce e tende.

Let's split. So we can stay together. A modern formula set between ceiling and floor, separating, uniting, using light and curtains.

NIPPO

Ogni casa ha la sua ispirazione, ogni tenda ha la sua guida. E ogni pannello la sua strada sulla quale scorrere, liberamente in un gioco di sovrapposizioni a vista dal sapore caldo e fashion.

Every home draws its own inspiration, every curtain has its own guide to follow. And every panel has its own path to run through, freely in a game of visible superimpositions with a warm and fashionable flavour.
